• Workstations:

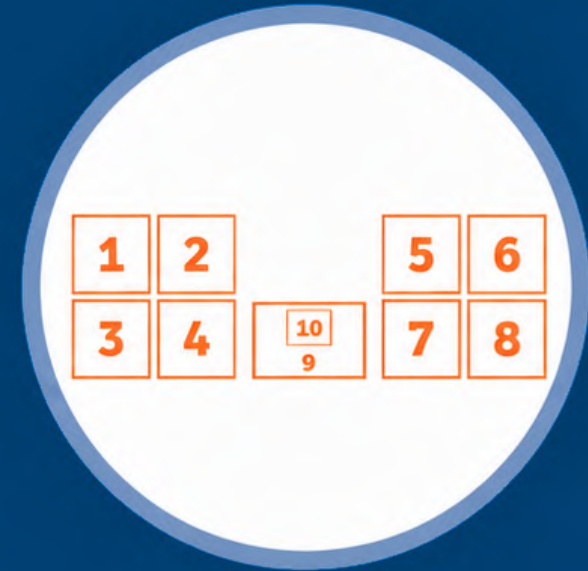

W-ONE4, W-ONE6 & W-DUAL6

- ◆ A new more compact and light Workstation with powerful performance and features
- ◆ 10-zone heated worksurface - with 10 independent temperature regulations for maximum temperature stability and uniformity
- ◆ Heated glass stage over viewing area. Thick glass for stability, conductivity and does not break
- ◆ 2 incubation compartments integrated in the tabletop. No gas or a premixed gas supply as standard. With optional CO2 mixing
- ◆ Built-in PC for software or Camera output from Microscope
- ◆ Novel APP-based user interface, Via QR codes
- ◆ Patient tracking via app-based user interface
- ◆ HEPA filtration H-14 > 99.995% of particles (0.3 μ)
- ◆ Any Microscope can be built in
- ◆ Low noise and pleasant to work with

Your embryos deserve the best

• Workstations:

- ◆ 10 Independent PID temperature regulations in the heated worksurface
- ◆ Ultimate temperature uniformity and stability
- ◆ Square heated glass stage with thick glass for stability and durability
- ◆ Various brands of Microscopes can be integrated
- ◆ Lightbase with 360 degrees tiltable mirror, condenser optics and filter as standard
- ◆ Designed and built for safety and comfort

Your embryos deserve the best

• Workstations:

- ◆ One compartment one patient
- ◆ Heated lid - PID control
- ◆ Heated bottom - PID control
- ◆ Patient tracking via App and display on lid
- ◆ Fast recovery of conditions
- ◆ Easy opening and closing with a magnet lock
- ◆ No gas, Premixed gas or CO2 mixing options

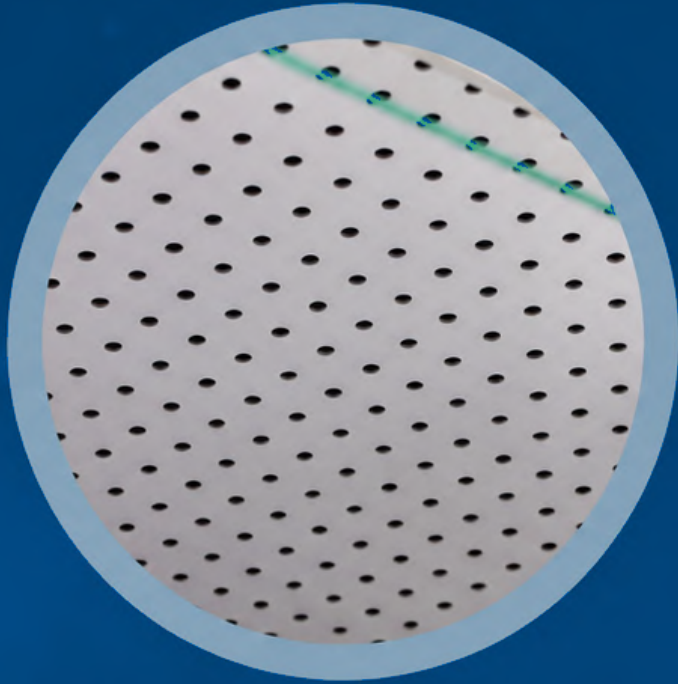

Your embryos deserve the best

• Workstations:

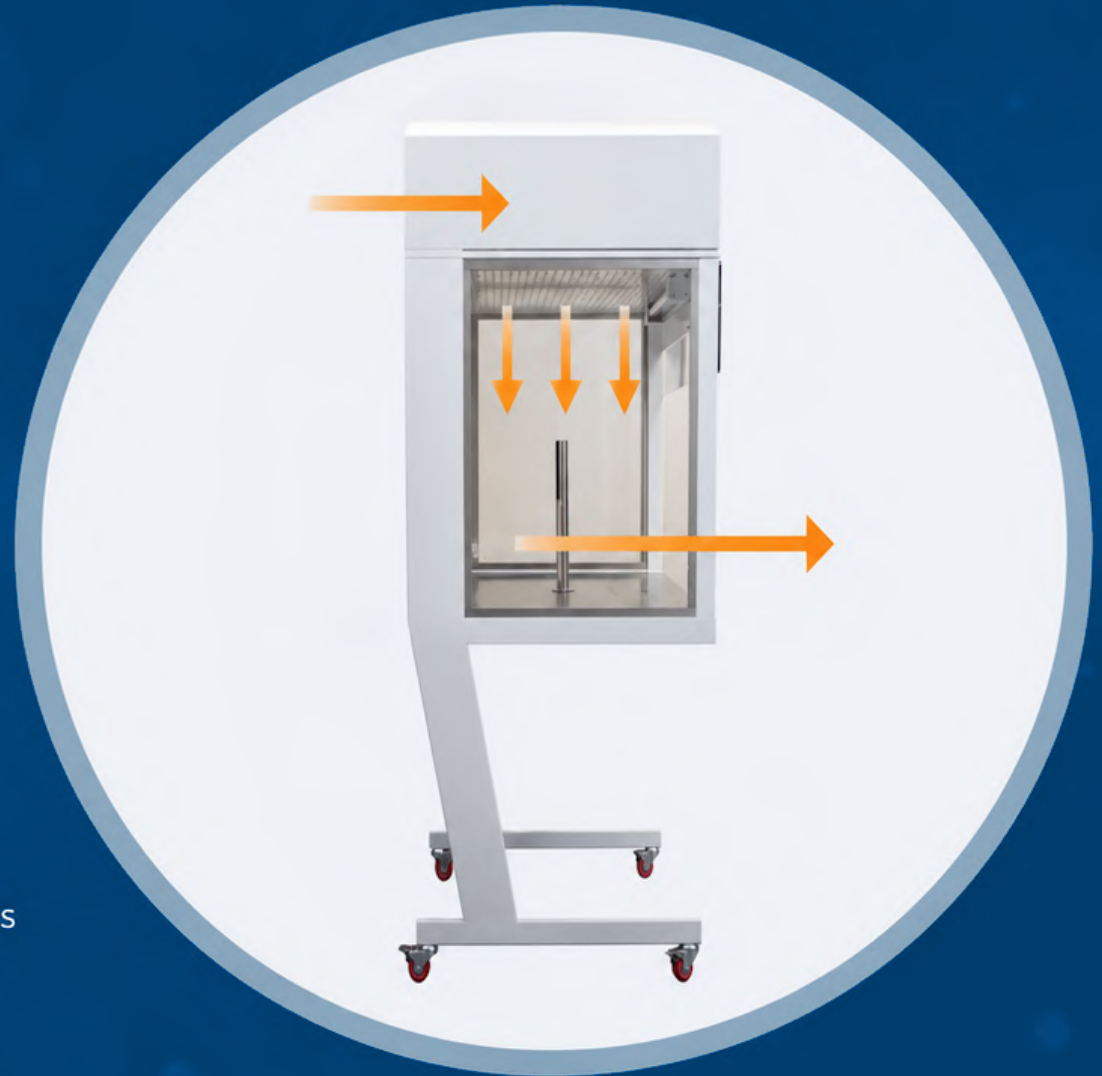

- ◆ User interface on Touch Screen PC
- ◆ Documentation of running conditions

• Workstations:

- ◆ H14 HEPA filters > 99.995% particle retention
- ◆ Prefilter. Carbon or untreated option
- ◆ Inside top surface of the working area is cleanable metal and not like a conventional HEPA filter that is fabric
- ◆ Silent operation
- ◆ Reduced height in the design makes cleaning on top possible

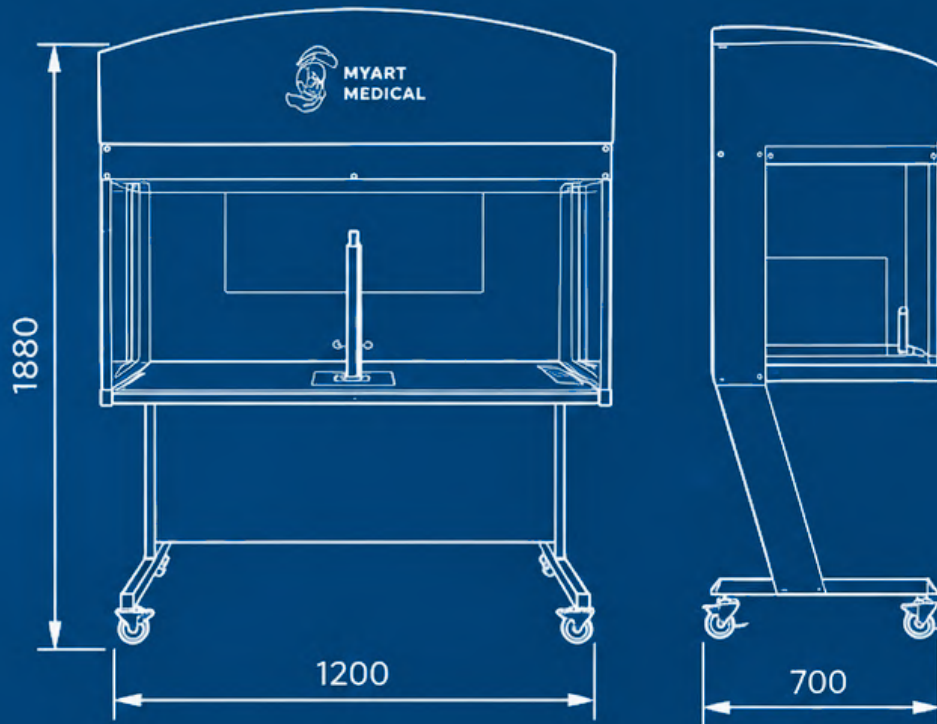

Your embryos deserve the best

• Models & Dimensions

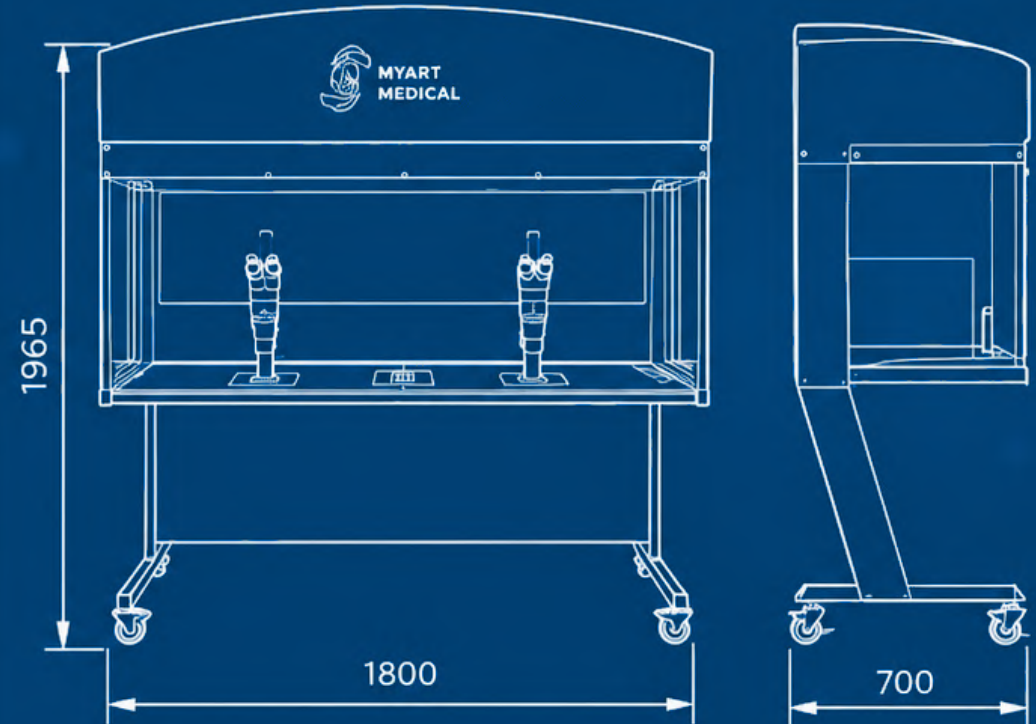

W-ONE4

1880 x 700 x 1200 mm (HxWxL)

W-ONE6 / W-DUAL6

1965 x 700 x 1800 mm (HxWxL)
